Art.3 - INFORMATIONS PREALABLES OU PRECONTRACTUELLES

3.1 – PRESTATIONS

Les Offices de Tourisme autorisés, dans le cadre de la loi du 13 juillet 1992, peuvent assurer la réservation et la vente de tous les types de prestations, de loisirs et d'accueil d'intérêt général dans leur zone d'intervention. Ils facilitent la démarche du public en lui offrant un choix de prestations.

3.2 – PORTEE

Les informations descriptives relatives à la Prestation touristique proposée par le Vendeur et figurant sur le Contrat de réservation remis au Client par le Vendeur constituent l'information préalable ou précontractuelle faite au Client au sens donné par l'article L. 211-8 du code du tourisme. Les éléments de cette information préalable ou précontractuelle dont la liste figure à l'article R211-4 du code du tourisme engagent le Vendeur.

3.3 - MODIFICATIONS

Le Vendeur se réserve toutefois le droit d'apporter des modifications à ces éléments de l'information préalable dans la mesure où ces modifications sont apportées au Client par écrit et avant la conclusion du Contrat, dans les conditions prévues par les articles R211-5 et L211-9 du code du tourisme.

3.4 - PRIX

Le prix de la Prestation touristique, affiché sur le document d'information préalable et remis par le Vendeur au Client, est celui en vigueur au moment de la consultation par le Client.

Il correspond au prix de la Prestation touristique, toutes taxes comprises (TTC).

Dans certains cas, des frais supplémentaires dont le détail et les conditions d'application figurent dans l'information préalable pourront être perçus par le Vendeur lors de la réservation.

Les modalités de paiement de ce prix figurent également sur le document d'information préalable.

Art.4 – RESERVATION ET CONCLUSION DU CONTRAT

4.1 – RESERVATION

Le Vendeur adresse au Client un projet de Contrat mentionnant l'ensemble des éléments prévus aux articles R211-4 et R211-6 du code du tourisme et incluant les présentes conditions générales de vente.

4.2 – PAIEMENT

La réservation devient ferme et définitive et le Contrat formé lorsqu'un acompte de 30% du prix total de la Prestation touristique est perçu par le Vendeur et un exemplaire du Contrat signé, avant la date limite mentionnée sur le projet, par le Client impliquant notamment l'acceptation des présentes conditions générales de vente. Le solde du prix est dû au plus tard 30 jours avant le début de la Prestation touristique. Si le Client ne verse pas le solde avant cette date, il est considéré comme ayant annulé sa réservation. Dès lors, la prestation est de nouveau offerte à la vente et aucun remboursement ne sera effectué. Le Client se verra appliquer des frais de résolution ainsi qu'il est indiqué à l'article 7 ci-après.

4.3 – FRAIS DE DOSSIER

Des frais de dossier peuvent également être perçus par le Vendeur. Le détail et le montant de ces frais de dossier sont mentionnés dans l'information préalable et peuvent être différents en fonction du Canal de distribution du Vendeur.

4.4 - ABSENCE DE DROIT DE RETRACTION

Conformément à l'article L211-18 12° du code de la consommation, le Client ne bénéficie d'aucun droit de rétractation consécutif à l'achat ou à la réservation d'une Prestation touristique proposée par le Vendeur.

4.5 - INSCRIPTION TARDIVE

En cas de réservation à moins de 30 jours du début de la Prestation touristique, la totalité du règlement du prix de la Prestation touristique est systématiquement exigée à la réservation.

4.5 – REVISION DU PRIX

Le prix de la Prestation touristique ne pourra être modifié par le Vendeur après la formation du Contrat, sauf dans les cas limitativement prévus par l'article L211-12 du code du tourisme et au plus tard 21 jours avant le début de la Prestation touristique. A cet égard, les éléments de réservation font figurer les paramètres de la possible révision du prix et de quelle manière la révision du prix peut être calculée en fonction desdits paramètres.

En aucun cas, le Client ne saurait solliciter l'annulation de la réservation en raison de la révision du prix sauf si, par l'effet de cette révision, la hausse du prix était supérieure à 8% par rapport au prix initialement convenu lors de la formation du Contrat.

Art.5 – DÉROULEMENT DE LA PRESTATION TOURISTIQUE OU DU SEJOUR

5.1 – DURÉE

Le Client signataire du présent Contrat, conclu pour une durée déterminée, ne pourra en aucune circonstance se prévaloir d'un quelconque droit au maintien dans les lieux à l'issue de la Prestation touristique.

5.2 – CAPACITÉ

Le Contrat est établi pour un nombre précis de personnes. Si le nombre de participants dépasse la capacité d'accueil prévue au Contrat, le Partenaire peut refuser les participants supplémentaires, rompre le contrat de prestation (toute

rupture du Contrat pour ce motif sera alors considérée faite à l'initiative et sous la responsabilité du Client. Dans ce cas, le prix de la Prestation touristique restera acquis au Vendeur) ou demander un supplément calculé selon le prorata suivant : nombre de participants présents/ capacité d'accueil.

5.3 - BON D'ÉCHANGE

Dès réception du paiement intégral, le Vendeur adresse au Client un bon d'échange présentant les informations pratiques relatives à la consommation de la Prestation touristique. Le Client remet ce bon d'échange au Prestataire dès son arrivée.

5.4 – ARRIVÉE

Le Client doit se présenter le jour convenu et aux heures mentionnées sur le bon d'échange. En cas d'arrivée tardive ou différée ou d'empêchement de dernière minute, le Client doit prévenir le Partenaire dont l'adresse et le téléphone figurent sur le bon d'échange. Le prix des Prestations touristiques non consommées en raison de ce retard restera dû et le retard ne donnera lieu à aucun remboursement.

5.5 - INTERRUPTION DE LA PRESTATION TOURISTIQUE OU DU SÉJOUR

En cas d'interruption de la Prestation touristique par le Client avant le terme prévu, il ne sera procédé à aucun remboursement de la part du Vendeur. Par conséquent, le Vendeur conseille au Client de souscrire à une assurance annulation de son choix.

Art.6 – RESPONSABILITÉS

6.1 – RESPONSABILITÉ DU CLIENT

Il est de la responsabilité du Client de s'assurer que les informations personnelles qu'il fournit lors de la réservation, lors de l'acte d'achat ou à tout autre moment, sont exactes et complètes.

Pour le bon suivi de son dossier, le Client doit informer le Vendeur le plus rapidement possible de toute modification des informations personnelles qu'il a fournies au Vendeur.

6.2 - RESPONSABILITÉ DU VENDEUR

Conformément à l'article L211-16 du code du tourisme, le Vendeur est responsable de plein droit à l'égard du Client de la Prestation touristique de l'exécution des services prévus par le Contrat. Toutefois le Vendeur peut s'exonérer de tout ou partie de sa responsabilité en apportant la preuve que le dommage est :

- Soit imputable au Client,
- Soit imputable à un tiers étranger à la fourniture des services de voyage compris dans le contrat et qu'il revêt un caractère imprévisible ou inévitable,
- Soit dû à des circonstances exceptionnelles et inévitables.

Art.7 - ANNULLATION

7.1 ANNULLATION ET MODIFICATION DU FAIT DU CLIENT

Toute demande de modification ou d'annulation, totale ou partielle, à l'initiative du Client de la Prestation touristique réservée de manière ferme et définitive doit être notifiée par écrit (lettre recommandée en cas d'annulation totale) au Vendeur. La date de réception de cette notification écrite sera celle retenue pour le calcul des frais visés ci-après. La demande doit être faite dans un délai maximum de 48H suivant la date de début du séjour, faute de quoi aucun remboursement ne sera accordé.

| Délai constaté avant le début du Séjour ou de la Prestation | Frais de résolution |
|---|----------------------|
| Plus de 30 jours | 30€ frais de dossier |
| De 30 à 22 jours inclus | 50% du prix retenu |
| De 21 à 8 jours inclus | 75% du prix retenu |
| De 7 jours au Jour J/Non présentation | 100% du prix retenu |

Les frais de résolution sont payés par le Client au Vendeur et viennent s'imputer à due concurrence sur les sommes d'ores et déjà payées par le Client au titre de la réservation.

Si le Client a souscrit un contrat d'assurance-annulation, les frais de résolution sont pris en charge par l'assureur dans les conditions prévues par le contrat d'assurance.

7.2 ANNULLATION POUR CAS DE FORCE MAJEURE

Selon l'article L.211-14 du Code du Tourisme, le Client a le droit de résoudre le contrat avant le début du voyage, sans payer de frais de résolution, si des circonstances exceptionnelles et inévitables, survenant au lieu de destination ou à proximité immédiate de celui-ci, ont des conséquences importantes sur l'exécution du contrat ou sur le transport des passagers vers le lieu de destination. Dans ce cas, le Client a droit au remboursement intégral des paiements effectués mais pas à un dédommagement supplémentaire.

Art.8 - CESSIION DE CONTRAT

Le Client peut céder le Contrat à un tiers qui remplit les mêmes conditions que lui pour consommer la Prestation touristique. Dans ce cas, le Client est tenu d'informer le Vendeur de sa décision par lettre recommandée avec accusé de réception au plus tard 7 jours avant le début de la Prestation touristique. Le Vendeur communique alors sans délai au Client le montant des frais afférents à cette cession, frais qui ne sauraient excéder les frais supplémentaires éventuels demandés par le Partenaire et le coût de traitement du dossier de cession par le Vendeur. En cas de Cession, le Client est responsable solidairement avec le tiers et vis-à-vis du Vendeur du paiement du solde du prix ainsi que des frais supplémentaires éventuels occasionnés par cette cession.

Art.9 - MODIFICATION DU FAIT DU VENDEUR

9.1 MODIFICATION MINEURE

Le Vendeur a la possibilité de modifier unilatéralement les clauses du Contrat après la formation du Contrat et avant le début de la prestation touristique et sans que le Client ne puisse s'y opposer, sous réserve que la modification soit mineure et que le Client en soit informé le plus rapidement possible de manière claire, compréhensible et apparente sur un support durable.

9.2 MODIFICATION MAJEURE

En cas de modification unilatérale par le Vendeur d'une Prestation touristique réservée de manière ferme et définitive et si cette modification n'est pas mineure et porte sur un élément essentiel du contrat, le Client a la possibilité, sans préjudice de recours en réparation pour dommages éventuellement subis, et après en avoir été informé par le Vendeur, par mail avec accusé de réception ou par lettre recommandée avec accusé de réception

- soit d'accepter la modification ou la substitution de lieux de prestations proposée par le Vendeur,
- soit de résilier sans frais le Contrat.

En cas de modification, le Vendeur proposera une prestation en remplacement de la prestation prévue, en supportant éventuellement tout supplément de prix. Si la prestation acceptée par le Client est de qualité inférieure, le Vendeur lui remboursera la différence de prix avant la fin de la prestation. Un avenant au Contrat précisant les modifications apportées est alors signé par les parties.

En cas de résolution du Contrat, le Client se voit rembourser immédiatement les sommes versées au titre de cette réservation et payer une indemnité équivalente à celle qu'aurait dû supporter le Client si une annulation était intervenue de son fait à la date de la modification et ainsi qu'il est mentionné à l'article 7.

Art.10 – ANNULLATION DU FAIT DU VENDEUR

Le Vendeur a la possibilité d'annuler la réservation sans frais avant le début de la Prestation touristique dans les deux cas suivants :

- Si le nombre de personnes inscrites pour la Prestation touristique est inférieur au nombre minimal indiqué dans le bulletin de réservation et si l'annulation intervient au plus tard
- 20 jours avant le début si la Prestation touristique dépasse 6 jours,
- 7 jours avant le début si la Prestation touristique a une durée comprise entre 2 et 6 jours

- 48 h avant le début si la Prestation touristique ne dure pas plus de 2 jours.

- Si le Vendeur est empêché de fournir la Prestation touristique en cas de force majeure (en raison de circonstances exceptionnelles, inévitables, irrésistibles et/ou imprévisibles).

Dans les cas énumérés ci-dessus, le Client a droit au remboursement intégral des paiements effectués mais pas à un dédommagement supplémentaire pour le préjudice éventuellement subi, et le Vendeur décline toute responsabilité quant aux modifications de programme.

Dans tous les autres cas, comme annoncé dans l'article 9.2, le Vendeur est redevable à l'égard du Client non seulement du remboursement immédiat des sommes versées mais également d'une indemnité correspondant à l'indemnité qu'aurait dû supporter le Client si l'annulation était intervenue de son fait à la même date et ainsi qu'il est mentionné à l'article 7.

Art.11 – CONDITIONS SPÉCIFIQUES

11.1 – HOTELLERIE

Les prix comprennent la location de la chambre avec le petit déjeuner, ou la demi-pension ou la pension complète. Sauf indication contraire, ils ne comprennent pas les boissons des repas. Lorsqu'un Client occupe seul une chambre prévue pour louer deux personnes et sauf mention contraire, il lui est facturé un supplément dénommé «supplément chambre individuelle». Le jour du départ, la chambre doit être libérée à l'heure affichée dans l'établissement.

11.2 – TAXE DE SEJOUR

Sauf mention contraire, la taxe de séjour, pour l'achat d'une prestation d'hôtellerie, est incluse dans le prix de la Prestation et donc collectée par le Vendeur, qui la reversera au Partenaire.

11.3 - ACTIVITÉS DE PLEINE NATURE

Chaque participant doit se conformer aux règles de prudence et suivre les conseils de l'encadrant. Le Vendeur et le Partenaire se réservent le droit d'expulser à tout moment d'un groupe un participant dont le comportement peut être considéré comme mettant en danger la sécurité du groupe et le bien-être des autres participants. Dans ce cas, aucune indemnité ne sera due.

Certaines Prestations qui se déroulent en extérieur nécessitent une bonne condition physique et/ou des équipements spécifiques. Lorsque cela est le cas, les informations correspondantes figurent dans le document d'information préalable.

11.4 - AUTRES PRESTATIONS

Les conditions particulières aux autres séjours sont adressées par le Vendeur avec la proposition et la description de la Prestation touristique. L'insuffisance du nombre de participants peut être un motif valable d'annulation pour certains types de Prestations (cf. Article 10)

Art. 12 – ASSURANCES

Le Client est responsable de tous les dommages survenant de son fait. Il est invité à vérifier s'il bénéficie par ses assurances personnelles d'une couverture d'assurance dite «de villégiature ».
